

27th ESA Symposium on European Rocket and Balloon Programmes and Related Research

Poster instructions

The best PICO poster presentations will be awarded in the Gala Dinner on Thursday June 4th.

Please note that acceptance of your contribution does not constitute registration. You are still required to register via the symposium website [“Home – 27th ESA Symposium on European Rocket and Balloon”](#) by 17 May 2026.

Key requirements and practical details:

Poster Setup

- **Maximum poster size: 96 cm (W) × 138 cm (H).**
- Please have your **poster installed by Monday, 1 June 2026, 12:00.**
- If you prefer, you can already set it up on Sunday, 31 May, between 16:00 and 19:00.
- The poster area location will be clearly indicated on site.
- Posters should not be taken down before the end of the Symposium (18:00 on Thursday 4 June).

Your 2-Minute Pitch

- Each presenter gives a **brief 2-minute oral introduction** in the PICO Poster Session of your allocation, using **1–2 viewgraphs.**
- **The Q&A will follow** in the poster area, giving you the chance to discuss your work directly with attendees.
- Please note that the **presenter must be registered for the Symposium and be one of the abstract’s authors.**
- All content (poster, abstract, presentation) should match.

Poster Design Tips

- Make the title easy to spot at the top.
- Add author names and contact information so people can follow up with you.
- Ensure figures and charts are readable from 1.5–2 meters.
- Keep the layout clear and intuitive.
- If relevant, feel free to indicate whether photos are allowed.
- Be mindful when discussing sensitive information.
